Golden Isles Association of REALTORS® & MLS Signs on with CRS Data

Tax property data company expands reach in Georgia

KNOXVILLE, Tenn. – January 27, 2015 – The [Golden Isles Association of REALTORS® and Multiple Listing Service, Inc.](#) has chosen [CRS Data](#) as its property tax data vendor. CRS Data is a leading provider of public record information for real estate, banker and financial professionals in the U.S. The new partnership further solidifies the company's ability to share its wealth of property tax data with agents throughout Georgia.

“We are very pleased to be partnering with CRS Data, a tax data vendor we are confident our members will benefit from greatly,” said Tom McBride, 2015 President for the [Golden Isles Association of REALTORS® and MLS, Inc.](#) “From the company's impressive compatibility with all types of mobile and tablet devices to their focus on timely data updates, we're looking forward to connecting our members with thorough property data they can rely on daily.”

The Golden Isles Association of REALTORS® & MLS has signed on with [CRS Data](#) in a 3-year agreement. All of their 500 plus members will gain online access to the company's rich supply of tax data, including customizable maps, neighborhood information, comparables, mortgage information and more, made available through intuitive, in-depth search options. The CRS Data's MLS Suite has been designed for

maximum navigation and usability.

“We are looking forward to connecting our members with a wealth of dependable, easily-accessible property data,” said McBride. “Ultimately, this information makes our members’ jobs easier so it was of utmost importance that we equip them with a vendor who is forward-thinking and committed to accurate data.”

Headquartered in Knoxville, Tenn., CRS Data currently provides access to comprehensive property data resources in more than 12 states and 500 counties.

“We are very proud to continue growing and reaching more and more Georgia real estate agents with our [CRS Data MLS Suite](#),” said Nikki Morgan, MLS sales executive for CRS Data. “Our customer experience and data teams are looking forward to continuing to perfect our product so our members have access to the most intuitive, innovative online product available.”

CRS Data most recently expanded its data service to include 67 counties in Florida. Servicing bankers, MLSs, appraisers, investors, and other specialty financial customers, CRS Data is focused on providing accurate and timely property data, quality products and unparalleled customer satisfaction.
